Summary Information - General description

Emergency ambulance services are commissioned by the seven Local Health Boards on behalf of the people of Wales through the NHS Wales Joint commissioning Committee (JCC).

Emergency ambulance services for the population of Wales and anyone visiting Wales, are delivered by the Welsh Ambulance Services NHS Trust (WAST). The JCC uses a set of Ambulance Quality Indicators to monitor and improve performance across the 5 Step Ambulance Care Pathway: Help Me Choose; Answer My Call; Come To See Me; Give Me Treatment and Take Me To Hospital

Data collection and calculation

The data is provided by Welsh Ambulance Services NHS Trust Digital Services.

Frequency of publication

Monthly

Data reference periods

Monthly from October 2015

Statistical Quality Information

Data is submitted by Welsh Ambulance Services NHS Trust and exported to a further EXCEL spreadsheet and updated to PowerBI; validation checks including monthly trends are carried out and any queries are taken up with Welsh Ambulance Services NHS Trust and JCC Committee Team ahead of publication.
