

COMMISSIONING INTENTIONS - EMRTS

EMRTS Commissioning Intention – CI1: Service Expansion 2023-24	
CI1a	Enhanced CCP-led response – Building on the implementation of an enhanced daytime response from Cardiff Heliport in April 2022, the EMRTS will focus on managing the ongoing service delivery with a view to demonstrating the more effective use of resources, improved service quality and the patient experience and opportunities for workforce development.
CI1b	Evaluation and Review – Evaluation and review for the enhanced CCP-led response to be incorporated to the ongoing process of evaluation already in place within the service.
CI1c	Planning – Build on the implementation and consolidation of Phase 1 of the EMRTS Service Expansion project, working collaboratively with commissioners to plan the implementation of the remaining phases of the EMRTS Service Expansion programme.

COMMISSIONING INTENTIONS - EMRTS

EMRTS Commissioning Intention – CI3: Service Evaluation 2023-24

CI3a

Ongoing Evaluation – Building on the 5-year EMRTS Service Evaluation (2015-20) develop a programme of ongoing evaluation including robust methodology

EMRTS Commissioning Intention – CI4: System Transformation 2023-24

CI4a

Demand and Capacity Strategy – To continue with the work on a collaboratively developed demand and capacity strategy will set out the ongoing arrangements for proactively undertaking this work for the next decade, this will include the use of forecasting, modelling and health economic evaluations.

COMMISSIONING INTENTIONS - ACCTS

EMRTS Commissioning Intention – CI2: Adult Critical Care Transfer Service (ACCTS) 2023-24	
CI2a	Service Delivery – The ACCTS team will continue to manage ongoing service delivery and will ensure robust performance management with a focus on outcomes, value, quality and safety of service delivery.
CI2b	Engagement – Continue to build on established relationships and to engage with all stakeholders to review and strengthen the service model(s) implemented to maximise the clinical outcomes, value, quality and safety of service delivery.
CI2c	Evaluation and Review – Undertake evaluation and review relating to the implementation of the ACCTS, reporting on lessons learned, service activity and providing the required assurance regarding the realisation of anticipated outcomes and benefits going forward.
CI2d	Quality and Delivery Framework – As an established service hosted by the EMRTS, work will now be undertaken with the EASC Team to ensure that a collaborative commissioning framework is now developed specifically for the ACCTS.
