RAG Rating	Highlights
Alert / Escalate	<ul style="list-style-type: none"> The Chair and Members discussed the Terms of Reference and the adequacy of requiring only two lay members for quorum. Members agreed to review after six months to assess the effectiveness of the sub-committee.
Advise	<ul style="list-style-type: none"> The Chair welcomed members and attendees to the first JCC Planning, Performance and Finance (PPF) sub-committee meeting. The Terms of Reference and Forward Work Plan were presented. Members noted the inclusion of a HB CEO as a member rather than an attendee. Concerns were highlighted in relation to the quoracy arrangements as highlighted above. Further work on the forward work plan will be undertaken to ensure alignment with the JCC meetings and the annual plan of business and useful suggestions and feedback was provided.
Assure	<ul style="list-style-type: none"> Members were informed about the approach to risk and noted that by April 2025, risks related to planning, performance and finance would be reported to this sub-committee for review and assurance. A presentation was shared which provided members with an update on developing the Integrated Medium-Term Plan (IMTP). Members received an overview of the financial modelling scenarios as requested by the JCC at its January 2025 meeting. An assessment against the three scenarios was provided. While the JCC was in transition, an annual plan was being considered in place of a three-year rolling IMTP. The interim Chief Commissioner also provided members with an update on the submission of an Accountable Officer letter. The Month 9 Financial Performance Report and Financial Plan Update was received noting: <ul style="list-style-type: none"> £4.8 million overspend against the Integrated Commissioning Plan (ICP) financial plan to date with a forecast year-end overspend of £5.7 million; The risk of not receiving anticipated income for activity in NHS England was highlighted but Welsh Government (WG) had confirmed funding of £8.8 million to offset the costs related to this,

	<p>alleviating this financial risk for the current year. This funding does not alter the forecast year-end overspend position of £5.7 million.</p> <ul style="list-style-type: none"> The JCC Performance Report for Month 8 was received. The combined legacy approach to performance reporting (WHSSC/EASC formats) remains transitional and a new JCC Performance Management Framework and performance report is under development for 2025/2026.
Inform	<ul style="list-style-type: none"> Members noted updates on Implementation of Legacy Plans for Quarter 3. It was noted that this report would also be shared with WG for assurance on delivery. Members noted the WG Strategic Development and Planning Guidance for 2025/2028. The national requirements and areas of JCC responsibility were highlighted as well as the importance of aligning with the planning framework.
