## 1. SITUATION

The purpose of this report is to present the Quality Safety and Outcomes Committee (the Committee) draft Annual Report 2025-2026.

## 2. BACKGROUND

In accordance with best practice, The NHS Wales Joint Commissioning Committee's (NWJCC) Quality, Safety and Outcomes Sub-Committee produces an Annual Report to be presented the Joint Commissioning Committee (JC) setting out how it has met its Terms of Reference, and the NWJCC's wider Standing Orders (Standing Order 7.24), during the financial year.

The Sub-Committee was established in January 2025. Prior to this the Welsh Health Specialised Services Quality Patient Safety Committee expanded its remit to include Mental Health commissioning and Ambulance and 111 as an interim arrangement until 31 December 2024 during this transition period.

For the purpose of this inaugural Sub-Committee Annual Report, an overview of meetings undertaken during 2024/25 are also reported to provide a full overview of activity undertaken by the Sub-Committee since its establishment.

Please note that the text highlighted in red and underlined in Paragraph 2.0 is included in draft pending approval of these items which are scheduled to be shared at the February 2026 QSOC sub-committee meeting.

*In accordance with paragraph 16.1 of the ToR, the ToR are subject to annual review. Updated ToR were shared at the February 2026 Sub-Committee meeting and recommended to the JC for endorsement and subsequent approval by Health Boards.*

The report presented at **Appendix 1** sets out the Sub-Committees activities since its establishment.

### 3. ASSESSMENT

<b>Objectives / Strategy</b>	
<b>Dolen i Amcan (au) Strategol CBC / Link to JCC Strategic Objectives(s)</b>	Ensure Quality
